

## **GUIDELINES FOR POSTER PRESENTATIONS**

1. Posters should be prepared in English only.
2. Posters should include title, author(s), affiliation(s), e-mail address of the corresponding author, abstract, materials and methods, results, conclusion, and references.
3. Posters will be presented on an assigned board in our specific poster presentation hall. **Each board is 1.2 m high by 0.9 m wide.** It is not necessary to fill this space up but it is your space to use. Tools for stick posters will be available at the poster site.
4. Due to limited space, posters should be posted on boards on assigned day and hours.
