

Wednesday, February 22, 10:30-13:30

Board Number	Code	Description
1	51	Effect of Phytogenic and Acidifier Feed Additives on Meat Ph and Vital Organ Size in Broiler Chickens
2	55	Survey for the detection of antibodies against newcastle viruses and avian influenza viruses with style HI at sparrows and crows of the avicultures around of Qazvin province.
3	58	Aberrant migration of <i>Ascaridia</i> spp. in a Myna (<i>Acridotheres tristis</i>)
4	60	First report of <i>Diplotriaena</i> spp. from the body cavity of Myna (<i>Acridotheres tristis</i>)
5	61	Effects of Probiotic, Prebiotic, Synbiotic, and Stocking Density on Broiler Growth Performance, Carcass Traits and Blood Parameters
6	80	Comparison of chest weight of pure and mixed races Parvazi 30-day Squabs
7	81	Comparison of chest weight of pure and mixed races Tizpar 30-day Squabs
8	82	Comparison of carcass weight of pure and mixed races Tizpar 30-day Squabs
9	84	A preliminary study of gastrointestinal helminth parasites of wild red-legged partridges (<i>Alectoris rifa</i>) from khorasan Province, Iran
10	86	Effects of different levels of poultry oil on broilers growth performance, carcass traits and immune system
11	92	An Enzyme- Linked Immunosorbent Assay for Detection of Antibodies to <i>Mycoplasma synoviae</i> and <i>Mycoplasma Gallisepticum</i> in Eggs
12	94	The effects of prebiotic and organic acid at different levels of stocking densities on broilers performance and immune system
13	96	Molecular detection of infectious bronchitis and Newcastle disease viruses in broiler herds with respiratory signs using Multiplex-RT-PCR
14	111	Determination of Metabolizable Energy of Tomato Pomace for Ostrich by Inert Marker (Chromic Oxide)
15	112	Determination of Metabolizable Energy of Alfalfa Meal for Ostrich by Inert Marker (Chromic Oxide)
16	113	The Effects of Dry Heat Processing on Trypsin Inhibitor Activity of Whole Soybean and Pancreatic Hypertrophy in Broiler Chickens
17	114	The Effects of Feeding Dry Heat Processed Soybean on Carcass Quality of Broiler Chickens
18	115	The Effects of Diets Containing Low Calcium and Low Available Phosphorus Levels on Apparent Digestibility of Ca & P and Bone Mineralization of Broiler Chickens
19	116	The Effects of Diets Containing Low Calcium and Low Available Phosphorus Levels on Serum Parameters and Performance of Broiler Chickens
20	117	Effect of Different Levels of Artichoke (<i>Cynsrs scolymus</i>) and Vitamin E on the Immune System Response of Broiler Chickens
21	119	Effect of In Ovo Feeding of Royal Jelly on Chick Quality
22	128	Effect of Different Levels of artichoke (<i>Cynara scolymus</i> L) Powder and Vitamin E on Performance and White Blood Cell Count of Broiler Chickens
23	129	The effect of different levels of energy and protein with constant ratio on performance, carcass characteristics and plasma concentrations of thyroid hormones and growth hormones in broiler chickens
24	130	The effect of different levels of ginger powder on performance, carcass characteristics and serum lipid in broiler chickens
25	131	Antibiotic Resistance in <i>Escherichia coli</i> isolates from day old broiler chicks in the Guilan province, Iran, 2011.

Wednesday, February 22, 10:30-13:30

Board Number	Code	Description
26	133	The effect of xylanase and phytase on AST and LDH enzyme in broiler in 42 day
27	134	Survey of poultry carcasses condemnation causes in 29 slaughterhouses located in Tehran province, Iran.
28	136	Investigation of the effect of heat stress on newcastle disease and performance of broiler breeder farm
29	137	The comparative survey of effects of Nanosilver and Homeopathy in Coccidiosis
30	138	Detection of avian influenza viruses in broilers farms suffering from respiratory signs using a multiplex PCR
31	143	Effect of different levels of Certiselen-E supplement on performance and Glutathione Peroxidase activity of laying hens under tropical summer condition
32	156	The evaluation of extracted Thymus vulgaris in drinking water on illume E. coli population, digestive tract enzyme and serum in broiler chickens
33	159	Evaluation of Ketamine efficacy in combination with tramadol, midazolam, atropine and hyoscine on some hematologic factors of broiler chickens
34	165	Differentiation of the chicken anemia viruses isolated from broiler farms of west Azerbaijan
35	168	Nonimmunized Egg Yolk Antibody Powder Can Suppress the Intestinal Colonization of Escherichia coli in Broiler Chicks
36	170	A survey of diseases and condemned poultry referred to the Mazandaran province poultry slaughterhouses
37	173	A serological survey of avian influenza virus (H9N2) infection in turkey flocks (Tehran province, Iran)
38	175	Sero-prevalence and isolation of Ornithobacterium rhinotracheale in poultry flocks in Mazandaran province
39	177	Study on Salmonella contamination of indigenous fowls' eggs in Sanandaj city
40	179	Effect of partial replacement of Betaine instead of Choline on Broiler performance
41	180	Effect of Probiotic , Prebiotic , Phytobiotic , Mos and Antibiotic as Growth promoters on broiler performance
42	181	Effect of probiotic yoghurt and prebiotic utilization on performance and blood composition of broiler chickens
43	182	serological survey of chicken infectious anemia virus in ahvaz broiler chicks
44	187	Serological survey of avian pneumovirus infectious in broiler flocks of Ardabil province
45	188	Serological survey of Mycoplasma gallisepticum infectious in broiler flocks of Ardabil province
46	189	Investigation the effects of dietary probiotic, prebiotic on performance in broiler chickens
47	190	Comparative study of antibody titers obtained from Avinew and La Sota vaccines in broiler chicks with HI test
48	194	A case report of systemic infection with Klebsiella pneumoniae in parrot
49	195	Investigation of Listeria monocytogenes and Listeria ivanovii infection in wild cage birds in Shahrekord, Iran by PCR
50	196	Effect of dietary natural plant charcoals on aflatoxin B1 toxicosis in broiler chickens

Wednesday, February 22, 10:30-13:30

Board Number	Code	Description
51	198	Effects of Black Cumin Supplements on Performance and Immunological Responses of Laying Hens
52	199	Effect of Different Levels of Turmeric Rhizome Powder (<i>Curcuma longa</i>) on Immunocompetence of Laying Hens
53	200	Effect of Turmeric Rhizome Powder (<i>Curcuma longa</i>) on Some Blood Parameters and Laying Hens Performance
54	201	Prevalence of Salmonella Serovars in Backyard Poultry in Mazandaran Province, Sari
55	203	Identification of Isolated Fungi from Different Lesions of Birds with Aspergillosis
56	204	Effects of Different Levels of Dietary Crude Protein and Threonine on Performance and Immunological Functions of Broiler Chicks
57	205	Outbreak of Severe Disseminated Aspergillosis in a Flock of Ostrich (<i>Struthio camelus</i>)
58	206	Isolation of toxigenic and nontoxigenic fungi from poultry feedstuffs
59	207	Productive Performance of Laying Hens Fed Diets Included Safflower Meal with or without a Commercial Enzyme Product
60	215	Effect of dietary <i>Zataria multiflora</i> Boiss. Essential oil supplementation on lipid oxidation of broiler breast fillets during refrigerated storage
61	216	Effect of Different Levels of Dietary Methionine on Performance and Immunological Responses of Broiler Chicks
62	218	effect of Biolex-MB, Garlic and Turmeric on Interior organs and hematological indices of broiler chickens
63	219	The Effect of Different Levels E- Selenovit Supplement on Performance and Immune Response of Laying Hens Under Heat Stress Condition
64	227	Use of Plate and Screw for Repair of Femur fracture in an Eagle
65	228	Clinical Pathology of myopathy in male ostrich during breeding season
66	232	Evaluation of the relationship between ascites syndrome and infectious bronchitis in broilers
67	233	Comparative survey of ascites syndrome incidence rate in Ross, Arbor-Across and Cobb strains of broiler chicks in west of Iran
68	236	When is the best time for supplementation probiotic BIOSAF in broiler to improve growth performance?
69	237	The effect of supplementation probiotic BIOSAF on the immune response to Newcastle vaccination and SRBC injection
70	238	The effect of supplementation Probiotic Prototoxin on the egg characteristics of Japanese quails (<i>Coturnix japonica</i>)
71	241	Seroprevalence of <i>Ornithobacterium rhinotracheale</i> Infections in Broilers and Broiler Breeder chickens in Kermanshah Province, west of Iran
72	242	Anaphylactic-Like Reaction to <i>Zataria multiflora</i> Essential Oil in Chickens
73	246	A Modified Protocol for DNA Extraction of <i>Eimeria</i> Species Oocysts for Molecular Identification
74	247	Incidence of the Most Common Fungi Species in Broiler mortalities in west Azarbaijan Province during 2010
75	248	Detection of <i>Listeria monocytogenes</i> and <i>Listeria ivanovii</i> in Pigeons in Yazd, Iran by PCR

Wednesday, February 22, 10:30-13:30

Board Number	Code	Description
76	254	Study on Effects of Biomin Imbo on Humoral Immunity to ND and AI in Ross-Broiler Chickens
77	256	Antimicrobial Resistance among E. coli causing colibacillosis in broiler farms in East Azerbaijan province
78	259	Broiler Health status determination using water microbiological analysis, Newcastle HI titers and MG and MS serum agglutination titers in west Azerbaijan province flocks during 2010
79	260	Characterization of M2 gene of avian H9N2 influenza virus isolates from Shahrekord, Iran
80	263	Investigation the effect of various management programs on broilers tibial dyschondroplasia
81	264	The first reported Anonchotaenia.spp from Ammoperdix griseogularis in Iran from Mashhad
82	271	Evaluation of Listeria monocytogenes and Listeria ivanovii infection in cage birds in Yazd, Iran by PCR
83	274	Usage of Thymus vulgaris extracts in drinking water and its evaluation on colony forming units E. coli in broiler chickens
84	286	The effect of live Newcastle disease vaccination on the production of nitric oxide and lipid peroxidation in broiler
85	291	Evaluation the effect of hypericum perforatum dried extract on antibody titre obtained from Newcastle vaccine in broiler chicks
86	292	Evaluation the effect of Dietary Calcium percentage on Incidence of Gout syndrome in Broiler chicks
87	293	Comparative survey of ascites syndrome incidence rate in broiler chickens infected and non-infected by infectious bronchitis
88	300	The Effect of Hemicell Enzyme on the blood parameters of Broiler Chickens Fed Corn/Soybean-Based Diets
89	301	The effects of different Levels of Date pits on Carcass characteristics of broiler chickens
90	303	The Impact of synbiotic and prebiotics on antibody titer against Newcastle disease, growth performance, organ weights and gut morphology of broiler chickens

Wednesday, February 22, 14:00-17:00		
Board Number	Code	Description
1	304	Effects of dietary inclusion of probiotic and synbiotic on antibody titer against Newcastle disease, growth performance, organ weights and gut morphology of broiler chickens
2	306	Effect of thyme extract on Escherichia coli intestinal microbial load hematological factors and performance of broiler chickens
3	307	Survey of staphylococcus infection in broiler breeders
4	308	A comparison between the effect of using a probiotic and an antibiotic on performance of broiler chickens in a farm trial
5	309	Effect of thyme extract on Clostridium perfringens intestinal microbial load, hematological factors and performance of broiler chickens
6	311	The effect of different levels of wheat brane with and without enzyme on some blood methabolites of broiler chickens
7	313	Dietary Berberis vulgaris extract enhance most of the intestinal mucosa morphology in the growing broiler chickens
8	314	Effect of two types of feed allocation program on broiler breeder performance
9	321	Antimicrobial susceptibility of isolated Salmonella from broiler chickens and In Vivo approach
10	322	A field study of different wavelength effects on broilers performance and immune response
11	323	Efficacy of some anticoccidial drugs in broiler chickens
12	324	Effect of Dietary Ascorbic Acid (Vitamin C) on Intestine Mucosa Morphology of Broilers Chicken
13	325	Does New Avian Infectious Bronchitis Virus Serotypes Exist in Broiler Chicken Flocks of Fars Province of Iran
14	326	DYSGERMINOMA IN A CANARY (A CASE REPORT FROM IRAN)
15	328	Myelocytoma of frontal bone in a canary (a case report from Iran)
16	331	The effect of dietary supplementation of Black Cumin seeds (Carum carvi) on internal organ weights and fatty acid profile of thigh meat in broiler chickens
17	333	Seroprevalence of H9N2 Avian Influenza Virus in Human Population in ardabil area ,Iran
18	337	Surveying bacterial contamination internal organs of broiler poultry and their resistance against common consuming antibiotics in broiler poultris in Ilam province
19	341	First report of unilateral airsac salmonellosis (<i>Salmonella senftenberg</i>) in mynah bird (<i>Gracula religiosa</i>)
20	342	Giardiasis in a Budgerigar (<i>Melopsittacus undulatus</i>), first report in IRAN
21	343	Congenital iris coloboma in an African Grey Parrot
22	345	Mandibular Genesis Imperfecta and Hypopyon caused by E. coli in a Female Alexandrine Parakeet (<i>Psittacula eupatria</i>)
23	346	Study on effects of Artemisia annua extract on oocyst shedding in chickens infected with Eimeria necatrix
24	347	Survey on the serum antibody titer against avian influenza disease virus in sparrow
25	351	Acute colisepticemia in partridge chicks

Wednesday, February 22, 14:00-17:00		
Board Number	Code	Description
26	355	A survey on bacterial infections of one to ten day old broiler chickens in Kerman province
27	358	The effect of reduction or removal of dietary vitamin supplement on broiler chickens performance
28	364	Effect of different levels of organic selenium on male broiler chickens
29	367	Effects of Genestein on Immune Functions of Male Broiler Chicks
30	368	Case report about observation of Prosthogonimus parasite in egg's of rural pultery of Gachsaran township
31	370	Biological control of adult stage of Argas persicus by entomopathogenic fungi Metarhizium anisopliae isolates under laboratory condition
32	371	Survey of Haemoproteus columbae infection in pigeons from Khoramabad, Lorestan province, Iran
33	372	Genotypic survey on Escherichia coli isolates from feces of healthy domestic parrots
34	379	The Effects of Probiotic on Growth Performance and Mortality of Broiler Chickens
35	394	The effect of Antibiotic and Butyric Acid on the performance of broiler chickens
36	397	Study of Oregano Stime extract effects on broiler chickens performance after administration of lasota vaccine
37	398	Thyme essential oils (thymus vulgaris) alleviate vaccination reactions
38	401	The effect of Antibiotic and Organic Acid on the performance and immune system of broiler chickens
39	402	Study on the protection of an intermediate plus Gumboro vaccine in broiler chicks
40	410	Prediction RV/TV by Heart Sound in Broiler
41	412	The Study on Effect of Levamisole Hydrochloride on Response Humoral Immune in Broiler Vaccinated Against Infection Bursal Disease
42	413	Poultry Abattoir Survey of Carcass Condemnation in a Slaughterhouse Located in Isfahan
43	419	Serologic study of Neospora caninum infection in back-yard chickens from Ahvaz
44	425	Molecular analysis of the S2 gene of Infectious bronchitis virus belonged to 793/B serotype isolated from poultry farms in Iran
45	426	Survey of disease and carcass omission causes in poultry slaughter house in Isfahan(2006 – 2009)
46	429	Serological study on avian metapneumovirus in boiler chicks by ELISA test
47	430	Evaluate of Histopathologic Liver Spoils on the Broiler Chicken Slaughter in Boukan Slaughters
48	431	CLINICO-PATHOLOGICAL STUDIES OF ASCITES IN BROILER CHICKENS
49	432	Prevalence of Haemoproteus infection in pigeons (Columba livia domestica) referred to the avian clinic of the faculty of veterinary medicine, University of Tehran
50	439	Effects of different levels of dietary crude protein and lysine to protein ratio on performance of broilers

Wednesday, February 22, 14:00-17:00

Board Number	Code	Description
51	440	Effects of Cereal Type, Enzyme and Sodium Butyrate Addition on Growth Performance, Carcass Traits and Intestinal Morphology of Broilers
52	445	The effect of aqueous and ethanol extracts of <i>Scrophularia striata</i> on <i>E.coli</i> under Invitro and Invivo conditions
53	456	Determine the H9N2 avian influenza viral shedding in the feces of broiler chicken in various time post inoculation
54	460	The survey of effects of Nanosilver in Coccidiosis
55	463	Phylogenetic analysis of hemagglutinin gene of subtypes H5 and H7 of avian influenza A viruses
56	465	The presence of Enterobacters (<i>E.Coli</i> and <i>Salmonella</i> spp.) and antibiotic resistance in industrial
57	466	Comparison the effects of commercial prebiotic on performance, egg quality and antibody titre Influenza and Newcastle in laying hen
58	467	Isolating and identyfing of bacterials, contaminating building and poultry equipment in Ilam province, before grower and surveying their antibiotic resistance
59	472	Sequence analysis of NADH oxidase (<i>nox</i>) gene in Iranian <i>Brachyspira</i> Isolates
60	474	The Effect of Aloe Extract on Growth Promotion and Immune System of Broiler Chickens
61	482	INFLUENCE OF GRADED LEVELS OF NONPHYTATE PHOSPHORUS AND PHYTASES ON GROWTH PERFORMANCE AND SERUM CHEMISTRY OF GROWING BROILERS
62	484	Effect of different levels of Selenium supplement on performance and Glutathione Peroxidase activity of laying hens under heat stress condition
63	486	Salmonellosis in poultry flocks around Sari, Mazandaran
64	490	Effects of Increasing Lysine Levels on Carcass Yields of Male and Female Arian broilers
65	491	Effect of Prebiotic (Bio-MOS) on Broiler Breeder Performance and Immunity System
66	492	Serologic study of <i>Neospora caninum</i> infection in back-yard chickens from Ahvaz
67	493	First Report of Leucosis with Amyloidois in a Free-Living Common Magpie (<i>Pica pica</i>)
68	498	Evaluation of the effects of Protexin on the performance and ND and AI antibody titer in ostrich chicks
69	507	EFFECT VOF DIFFERENT CONCENTRATIONS OF VITAMINE A ON THE CHICK BROILER EMBRYO DEVELOPMENT
70	509	Effects of Zinc Supplementation on Performance, and Immune response in Broiler Chickens
71	511	Coordination of ERIC-PCR DNA fingerprints and antimicrobial resistance patterns in <i>Escherichia coli</i> isolates obtained from different lesions of Colibacillosis and feces of apparently healthy chickens
72	514	Morphological Evaluation of Metatarsus and Phalanges in Ostrich
73	515	Anatomical Assessment of The First and Second Cervical Vertebrae in Ostrich
74	518	Study on the in ovo inoculation of B-Complex on embryonic growth and hatchability
75	519	Occurrence of Myxosarcom in <i>Nymphycus Hollandicus</i>
76	521	Influence of plant DCP in comparison with mineral DCP on tibia calcification and blood ca and p concentrations of 21- days old Broiler chicks.
77	525	Morphologic Assessment of The Digestive Tract in African Grey Parrot

Wednesday, February 22, 14:00-17:00		
Board Number	Code	Description
78	526	The Anatomical Evaluation of Humerus, Radius and Ulna in African Grey Parrot
79	527	Using sentinel for detection virus circulation(H5N2 and VVNDV)in the bird Garden
80	529	Study of the effect of acidifiers and probiotics on the <i>Salmonella</i> Enteritidis colonization in broiler chicks
81	534	Study on Mechanisms and Biochemical Changes Associated with Ascites Syndrome in Cobb Broilers
82	536	Outbreak of Atypical Fowl Pox in backyard local Broiler Chickens in Tabriz, Northwest of Iran
83	541	Evaluation Effect of ZnO Nonoparticles injection in broiler eggs on Embryonic Growth and Hatchability
84	544	Study of the joint administration of Hipraviar SHS with respiratory vaccines for preventing Newcastle disease and Infectious Bronchitis .
85	545	Sustainable Poultry Industry development in Georgia
86	546	The influence of adding a beneficial bacteria-enzyme mixture to the laying hen manure, on the production of ammonia nitrogen.
87	547	Effects of dietary inclusion of probiotic, prebiotic and synbiotic on immune status of broilers
88	551	Magnetic Resonance Imaging of the ostrich embryonated egg
89	557	Purpose of using of herbal supplements as decreasing and prophylactic agents for raising and producing farm-healthy eggs in laying hens
90	558	Investigation the serological status and performance of broiler breeder flocks infected with Avian pneumovirus

Thursday, February 23, 8:30-11:30

Board Number	Code	Description
1	559	Study of clinical status, production and serological indices in northwest of Iran broilers infected with Newcastle disease
2	560	Evaluation of susceptibility of the poultry red mite <i>Dermanyssus gallinae</i> (Acari: Dermanyssidae) to some Acaricides in filed populations from North West of Iran
3	563	The effect of vitamin E on cell-mediated immunity in broiler chickens
4	568	Effect of light intensity on the antibody response from Newcastle disease vaccination in broiler chicken
5	570	Effects of two light intensity programs on heterophil/lymphocyte ratio in broiler chicken
6	574	Evaluation of pellet and mesh diets on blood cells (WBC, RBC) and hematocrit in broiler chickens
7	575	Serological investigation of five disease influenza, newcasle, salmonella, <i>Mycoplasma gallisepticum</i> and <i>Mycoplasma synoviae</i> in native hens of Eghlid
8	577	Mortality rate of Avian Ifluenza in broiler in Azari and Eastern Zagros region from Iran's climatical classification
9	578	Mortality rate of Infectious bronchitis in broiler in Azari and Eastern Zagros regions from Iran's climatical classification
10	579	Mortality rate of Avian Ifluenza in broiler in Iran Markazy and Systani region from Iran's climatical classification
11	580	Mortality rate of Infectious bronchitis in broiler in Iran Markazy and Systani region from Iran's climatical classification
12	583	Effects of in ovo administration of guanidino acetic acid on hatching parameters and chicks performance of broiler breeder eggs
13	584	In ovo administration of guanidino acetic acid in broiler breeder eggs on small intestinal pH and morphology
14	586	In ovo feeding research in Iran: A Review
15	587	Various lighting program affects on heterophil/lymphocyte ratio in broiler chicks
16	593	Effects of Dietary Phytase, Calcium and Phosphorus on Bone Characteristics of Broilers During Experimental Coccidiosis
17	596	Broiler Breeder males shank Lengths and it's effects on Fertility and Hatchability Performances
18	600	The effect of date pits on blood parameters in broiler chicken
19	601	The effects of Hemicll enzyme on performance in broiler chicken feed diets containing date pits.
20	602	Increasing Lysine Density in Starter Period Improves Broiler Live Weight
21	603	Prevalence of <i>Salmonella</i> infection in broiler flocks in the vicinity of Ghaemshahr, Mazandaran
22	604	Performance of laying hens fed diets with different phosphorous levels and multi-enzyme supplementation
23	605	Efficacy of sulfadimethoxine + trimethoprime on performance of broiler chickens involved with colibacillosis: a field trial
24	607	A survey on prevalence of tumors , septicemia , cachexia and toxicity in poultry carcasses slaughtered in poultry Slaughterhouses of Mazandaran province in 2007-2010, Iran.

Thursday, February 23, 8:30-11:30

Board Number	Code	Description
25	610	The effect of Water Extract of Iranian Sumach (<i>Rhus coriaria</i> L.) and <i>Zataria multiflora</i> Boiss. Essential oil on the Shelf Life of Raw Broiler meat at 4 degree centigrade
26	612	A Trichomoniasis outbreak in a partridge (<i>Alectoris graeca</i>) flock at Tehran province-Iran: a case report
27	615	Heavy Infestation of a Domestic Canary (<i>Serinus canaria domestica</i>) with Tropical Fowl Mite (<i>Ornithonyssus bursa</i>)
28	619	Assessment of the Macroscopic and Microscopic effects of the different routes of administration of a live Newcastle Disease vaccine on chicken trachea
29	620	The effecteds of different levels of full fat canola seed with and without enzyme on blood parameters on broilers.
30	621	Measurement of Avian Influenza, Newcastle Disease and Infectious Bronchitis Virus Antibody Titers in Broiler Flocks During Respiratory Disease Out break.
31	628	Clinical evaluation of sedative effects of Intranasal xylazine administration in Pigeon
32	631	The evaluation of hematological factors and prevalence of intestinal and hematological parasites in cage finch of Shahrekord province
33	632	<i>Metarhizium anisopliae</i> : An effective alternative to chemical acaricides against fowl tick <i>Argas persicus</i>
34	636	The effect of dietary supplementation of Black caraway on crude protein and ether extract percent and meat quality in broiler chickens
35	637	Investigating the Possibility of Breeding Broiler Ducklings in the Paddy Farms and also Caspian Basin Region of the Mazandaran Province
36	647	Evaluation of interactions in prescribed drugs by poultry Veterinarians in Mazandaran Province
37	650	Evaluation of the effect of <i>Zataria multiflora</i> essence on humoral Immunity of broilers
38	651	Effects of dietary supplementation of organic acids combinations on performance and immune system of broiler chickens
39	652	A survey of <i>Salmonella</i> infection among hatcheries located in north and west of Iran
40	653	Different level of synbiotic injection effects into broiler breeder eggs on hatching parameters, chick performance and small intestine
41	654	Effect of Butyric acid on the performance and serum lipids profile of broiler chickens
42	656	Effect of Lemon balm extract in drinking water on blood cholesterol, triglyceride and HDL-c contents and carcass characteristics in broiler chickens
43	659	A case report of mixed digestive-pulmonary disease (pneumo-enterotoxaemia) in fed-lot ostrich breeding herds from Tehran and Qazvin
44	663	Lymphosarcoma in a mynah
45	665	PCR detection of <i>Campylobacter</i> spp. from faecal samples of cage birds in Shahrekord, Iran
46	668	Histologic assessment of Eyes in African Grey Parrot (<i>Psittacus erithacus</i>)
47	671	Effect of different levels of thyme extract on performance of broilers chickens fed wheat-based diets (whole and ground)
48	673	Effect of Sequential Feeding of Wet and Dry Whole Wheat on Immune Responses of Broiler Chicks
49	674	Influence of intensity and initiation time of early feed restriction on performance and blood biochemical parameters of broiler chicks

Congress Secretariat:

Thursday, February 23, 8:30-11:30

Board Number	Code	Description
50	675	Comparative assessment of antibiotic sensitivity of E.coli's strains in colisepticaemia disease in broiler chickens
51	676	Effect of supplemental lipotropic agents on performance and carcass characteristics of broiler chicks fed on high-energy diets
52	677	Beauveria bassiana: An effective alternative to chemical acaricides against fowl tick Argas persicus
53	678	Effect of dietary supplementation of organic acids on performance and carcass characteristics of broiler chicks fed on diets with different crude protein levels
54	679	Influence of duration of early feed restriction on immune function, jejunal morphology and ileal microflora of broiler chickens
55	680	Effect of duration of early feed restriction on performance and blood biochemical parameters of broiler chicks
56	681	Immunocompetence of broiler chicks as affected by dietary arginine and zinc interaction
57	682	Influence of dietary supplementation with Echinacea powder on egg quality, yolk oxidative stability and serum biochemical parameters in laying hens
58	683	Influence of dietary selenomethionine supplementation on antibody responses, egg quality indexes and egg yolk oxidative stability in laying hens fed diets with different fat sources
59	684	Prevalence of Kidney Disorders Diagnosed by Conventional Radiography in African Gray Parrot
60	686	PCR Detection of Ornithobacterium rhinotracheale respiratory infection in broiler chickens from Shahrekord, Iran
61	687	Interactive effects of dietary arginine by methionine on performance and carcass measurements in Ross broiler chicks
62	688	Evaluation of broiler performance in pen and longitudinal systems
63	689	Histological Study of Eyes in Common Kestrel (<i>Falco tinnunculus</i>)
64	693	Characteristics of carcass condemnations in a Poultry abattoir in Quchan, Khorasan Razavi, Iran.
65	696	Detection of a New Tapeworm Species, Cladotaenia nipalensis from a Steppe Eagle (<i>Aquila nipalensis</i>) in Iran
66	701	Causes of condemnation at processing plants in south of Iran
67	710	A Survey effect of FOSBAC on Antibigram of separated E.coli refer carcasses from broiler farm in Saqqez city clinics in 2009 to 2011
68	716	The influence of dietary threonine on immune response of broiler chicks
69	717	EFFECTS OF TEGACID SUPPLEMENTATION ON GROWTH PERFORMANCE OF BROILER CHICKS
70	721	Occurrence of Tetrameres spp infection in a flamingo
71	723	Comparison Of Three Routs Of Corynebacterium Injection; IV, IA, SC For Induction Of Articular Lesions in Broilers

Congress Secretariat:

Thursday, February 23, 8:30-11:30		
Board Number	Code	Description
72	724	Heavy infection by <i>contraeacum</i> spp in a Great Cormorant (<i>phalacrocorax carbo</i>)
73	727	Influence of diets adequate or marginal in available phosphorus and supplemented with phytase on the production performance of laying hens near the end of second production phase
74	729	Water quality analysis (Microbiological, Physical and chemical) used for Guilan's Broiler Farms During 2009 – 2011
75	730	Study of Minimum inhibitory concentration (MIC) of drugs, streptomycin, tetracycline, erythromycin and cotrimoxazol on growth and special oxidase activity on <i>Campylobacter jejuni</i> in poultry
76	731	EXPERIMENTAL THERAPEUTIC EFFECTS OF ASCORBIC, CITRIC AND ACETIC ACIDS ON ASCITES SYNDROME IN BROILER CHICKENS REARED IN THE HIGH ALTITUDE
77	732	THE EFFECTS OF BIOMIN CONTAINING PROBIOTICS AND PREBIOTICS ON PERFORMANCE OF BROILER CHICKENS AND IMMUNE RESPONSE AGAINST NEWCASTLE VACCINE
78	734	Isolation and identification of a new isolate of avian infectious bronchitis virus IRFIBV32 and a study of its pathogenicity
79	736	Effect of Cu nano particle on body weight and hatchability after in ovo injection
80	745	Encephalomalacia in a green parrot .
81	747	PCR-restriction fragment length analysis of ITS 1 region for identification of toxigenic fungi in poultry feed
82	748	Avian influenza H9N2 viruses: comparison of DNA and inactivated vaccines to induce immunity in farm
83	750	Virulence determination of <i>Escherichia coli</i> isolates from poultry by lethality test in day-old chicks
84	751	Identification of canarypox virus using histopathological and molecular assays
85	753	Special immune response of broiler fed Sodium Butyrate (Na-B)
86	754	Determinating the frequency and types of coliforms in egg shell and egg yolk in different stages
87	755	IMPACT OF VITAMIN E DEPLETION ON NUTRITIONAL ENCEPHALOMALICIA IN CHICKS
88	756	Molecular detection of bla TEM gene among fecal isolates of <i>Escherichia coli</i> from cage birds in central regions of Iran
89	758	PCR detection of bla CTX-M gene among fecal isolates of <i>Escherichia coli</i> from pigeons in center of Iran
90	760	ILEAL AND EXCRETA PROTEIN DIGESTIBILITY LEVELS DIFFERENT OF POULTRY BY-PRODUCT MEAL FOR BROILER CHICKEN IN COMPARISON INDEPENDENT

Thursday, February 23, 12:00-15:00

Board Number	Code	Description
1	762	Compendium of Measures to Control Chlamydomyces psittaci Infection among Humans and Pet Birds
2	765	Effect of soy isoflavones on growth performance and some carcass characteristics in young broiler chicks
3	767	Concurrent Infestation with Dermanyssus gallinae and Menopon gallinae
4	768	An outbreak of aspergillosis in a flock of farmed ostriches (struthio camelus spp)
5	769	PCR detection of Escherichia coli harboring extended-spectrum β -lactamases of the CTX-M gene in faecal samples of cage birds in central regions of Iran
6	771	Effect of litter and relative humidity on respiratory disease of broiler chickens
7	773	Effects of some herbal extract as antimicrobial agent on poultry pathogenic bacteria
8	775	Molecular detection of TEM-derived ESBLs in E. coli: An epidemiological study in fecal isolates of Escherichia coli from pigeons in central regions of Iran
9	777	DETERMINATION OF PROTEIN AND ENERGY QUALITY LEVELS OF POULTRY BY-PRODUCT MEAL IN BROILER CHICKENS
10	778	Evaluation methods of cell-mediated immunity response in birds
11	780	Threonine- methionine post hatch feeding in broiler chicks and the effects on function and growth rate
12	781	Gout induced affects by methionine- lysine- threonine and arginine amino acids in 1day broiler chicks
13	782	A Serological study of Newcastle disease outbreak in broiler flocks by ELISA and HI Tests in Bushehr Province
14	783	Sex differentiation base on Multiplex-PCR techniques comparing with LH and FSH serum levels in vulturine Guinea fowl (Acryllium vulturinum)
15	786	Molecular detection of avian adenovirus in broiler flocks with inclusion body hepatitis (IBH), liver lesions and respiratory syndrome in Northeast Iran
16	787	The effects of nano-silver on performance, carcass characteristics, immune system and intestinal microfelora of broiler chickens
17	790	Effect of lighting programs on performance by heat stress in Broiler chickens
18	791	Effect of lighting programs on Broiler Chickens Lymphoid Organs in heat stress
19	792	Effect of lighting programs on humoral immune by heat stress in Broiler chicken
20	795	Nucleotide and deduced sequence analysis of VP2 gene of chicken infectious anemia virus circulating in commercial broiler farms of Northeast Iran
21	797	Co-occurrence of severe copper deficiency and sudden death due to spontaneous rupture of carotid artery may indicate carotid dissection (aneurysm) in an ostrich
22	798	Isolation and Molecular Characterization of Newcastle Disease Virus Circulating in Broiler Flocks of Northeast Iran
23	800	Isolation and Molecular Pathotyping of Newcastle Disease Virus from Ostrich Flocks of Northeast Iran
24	803	The study of mycoplasmic contamination in commercial layer flocks in Tehran province

Thursday, February 23, 12:00-15:00

Board Number	Code	Description
25	804	Identification of <i>Eimeria</i> spp in industrial poultry flocks in Tehran province of Iran
26	806	Effect of breeder flock age and brooding (litter) temperature on broiler feed consumption, body weight and mortality.
27	807	Serous Cystadenoma in four farmed ostriches (<i>Struthio Camelus</i> spp)
28	809	The Survey of Prevalence of new influenza disease type H ₉ N ₂ in South Khorasan poultry farming during 1389, and strategies for preventing it
29	811	Surgical removal of metallic foreign bodies from abdomen and gizzard of a pet chicken (<i>Gallus gallus domesticus</i>)
30	817	Influence of fat source and supplementation of the diet with vitamin E and vitamin C on yolk fatty acid profile, oxidative stability and egg sensory taste of Single Comb White Leghorn Laying hens
31	823	Genotyping of <i>Clostridium perfringens</i> isolated from healthy chickens in Iran
32	825	Pilot production of a bivalent Newcastle disease (La Sota) and infectious bronchitis (H-120) live vaccine
33	826	The effect of in-feed flavophospholipol on intestinal morphology of broiler chickens
34	827	Evaluation of Antimicrobial Drug-Resistance in Broiler flocks of Hamedan province, West of Iran(2010-2011)
35	829	Bacterial Vegetative Endocarditis associated with renal emboli, A case report.
36	831	The Effect of dried Aerial Part Powder of <i>Ferulago angulata</i> Sub. <i>Careuchorum</i> on Total Serum Antioxidant Activities in Broiler Chicks
37	833	The effect of different levels of vitamin E on serum antibody titers against Newcastle disease vaccine in broiler chickens
38	834	The Retrospective Study on prevalence rate of Poultry Diseases Referred to Veterinary clinic of Shahrekord University
39	838	Diagnostic imaging of celomic granuloma in Pigeon (<i>Columba livia</i>): Successful surgical Ablation
40	840	Isolation and molecular identification of potential probiotic lactobacil bacteria from native hens in East Azabaijan(Marand regions).
41	841	Coliforms and Fecal E-coli Counts of Water of Some Broiler Farms in Takestan City by MPN Method
42	844	PCR detection of <i>Escherichia coli</i> O157 and O45 in fecal isolates of <i>Escherichia coli</i> from pigeons in central regions of Iran
43	851	Protective Effect of Enterotoxemia Vaccine in Reduction of the Incidence and Mortality Rate of Enterotoxemia in Ostrich Flocks
44	855	A case-series study on condemned poultry carcasses in the Mazandaran province during 2006-2011
45	859	Identification of a novel genotype of infectious bronchitis virus among commercial broiler chicken flocks in East Iran
46	860	Drug resistance patterns of <i>Salmonella</i> isolates from poultry farms in the vicinity of Chalus, Mazandaran
47	861	Antimicrobial resistance profile of <i>Salmonella</i> isolates from poultry flocks around Lahijan, Gilan
48	862	Comparison the effect of medicinal plants on serum lipids and immune system in broiler chicks
49	863	Comparison the effects of medicinal plants on carcass characteristics, serum lipids and immune system in broiler chicks

Thursday, February 23, 12:00-15:00

Board Number	Code	Description
50	865	Effect of Medicinal Plant, Antibiotic and Probiotic on Microbial Population, Intestinal Morphology and Performance of Broilers
51	866	Evaluation of Dietary Olive Leaf on Cardiovascular System in Broiler Chickens
52	867	Comparison the effect of medicinal plants on growth performance of broiler chickens
53	868	The Effect of Garlic Herb in Comparison with Organic Selenium and Vitamin E on Carcass Fat and Performance of Broilers
54	869	The Effects of Commercial Herbal and Chemical Medicines on Abdominal Fat, Immune System and Percent of Viability of Broilers Challenged with Infectious Bronchitis Virus
55	870	The Effect of Olive Leaf as Medicinal Plant Supplementation on Carcass Characteristics and Mortality in Broiler Chickens
56	871	The Effects of <i>Allium sativum L.</i> , <i>Glycyrrhiza glabra L.</i> , <i>Bunium persicum (Boiss.)</i> , <i>Matricaria chamomilla</i> , <i>Achillea millefolium L.</i> , <i>Eucalyptus globulus L</i> Extract and Antibiotic Virginiamycin on Broiler Performance
57	872	The Effects of <i>Mentha longifolia</i> , <i>Petroselinum crispum</i> , <i>Ocimum basilicum L.</i> , <i>Anethum graveolens L.</i> , <i>Allium sativum L</i> and <i>Coriandrum sativum L.</i> powder on Broiler growth Performance
58	55	Survey for the detection of antibodies against newcastle viruses and avian influenza viruses with style HI at sparrows and crows of the avicultures around of Qazvin province
59	778	Evaluation methods of cell-mediated immunity response in birds
60	80	Comparison of chest weight of pure and mixed races Parvazi 30-day Squabs
61	81	Comparison of chest weight of pure and mixed races Tizpar 30-day Squabs
62	82	Comparison of carcass weight of pure and mixed races Tizpar 30-day Squabs
63	809	The Survey of prevalence of new influenza disease type H9N2 in South Khorasan poultry farms during 1389 and prevention strategies
64	854	Isolation and identification of E. coli from commercial chicken in Khozestan province
65	381	Production, purification and characterization of egg yolk immunoglobulin (IgY) against antibiotic-resistant strains of <i>Pseudomonas aerogenosa</i> in laying hens
66	489	Prevalence and antimicrobial resistance of salmonella in poultry in east Azerbaijan
67	286	The effect of live Newcastle disease vaccination on the production of nitric oxide and lipid peroxidation in broiler
68	746	Isolation of salmonella from wild and pet birds
69	392	Study on the causes of low hatchability in the breeder flock in hashtgerd
